TRUTH-IN-SAVINGS DISCLOSURES

The following disclosures and terms apply to your accounts with the Credit Union. The Rates & Fees Schedule also sets out terms of your accounts and is hereby incorporated by reference as if fully set forth herein.

1. **RATE INFORMATION.** Please see our current Rates & Fees Schedule for current Annual Percentage Yield (APY), any applicable tiers, and variable rate accounts. The Annual Percentage Yield (APY) reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. The dividend rate and Annual Percentage Yield (APY) may vary as explained in the Rates & Fees Schedule.

2. **NATURE OF DIVIDENDS.** Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

3. **COMPOUNDING AND CREDITING.** The frequency with which dividends will be compounded and credited and the Dividend Period is set forth on the Rates & Fees Schedule. The Dividend Period begins on the first calendar day of the Period and ends on the last calendar day of the Period. If you close your share account before the dividends are paid, you will not receive the accrued dividends.

4. **MINIMUM BALANCE REQUIREMENTS.** The minimum balance requirements for each account is set forth on the Rates & Fees Schedule. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par Value of a share in this credit union is also disclosed on the Rates & Fees Schedule.

5. **BALANCE COMPUTATION METHOD.** We use the *Average Daily Balance Method* to calculate dividends on your account, as indicated on your Rates & Fees Schedule. The Average Daily Balance Method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

6. **ACCRUAL OF DIVIDENDS/INTEREST ON NONCASH DEPOSITS.** Dividends will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account.

7. **TERM SHARE and CERTIFICATE ACCOUNTS.** The following applies to Term Share and Certificate Accounts:

Maturity. Your account will mature according to the term indicated on the Rates & Fees Schedule, and as indicated on your account summary or statement.

Early Withdrawal; Penalties. We will impose a penalty if you withdraw any of the funds in your account before the maturity date. The amount of the penalty is disclosed on the Rates & Fees Schedule. The penalty is calculated as a forfeiture of part of the dividends that have been or would have been earned on the account, and applies whether or not the dividends have been earned. The penalty may be deducted from the principal amount of the deposit. The Annual Percentage Yield disclosed for your account is based on an assumption that the dividends will remain in the account until maturity; a withdrawal will reduce earnings. Early withdrawal penalties may be permitted or reduced for IRA accounts or other accounts if applicable law allows.

Renewal Policies. Your term share account may or may not automatically renew at maturity as indicated on the Rates & Fees Schedule. If it automatically renews you will have a grace period, also indicated on the Rates & Fees Schedule, in which you may withdraw or transfer the funds without incurring an Early Withdrawal Penalty. If the account does not automatically renew, the Rates & Fees Schedule or the Account Receipt will indicate whether dividends will continue to accrue after maturity.

8. **FEES AND CHARGES.** We may impose fees, charges, or penalties against your account(s). Please see our Rates & Fees Schedule for the types, amounts, and conditions of the fees and charges.

9. **TRANSACTION LIMITATIONS. For Christmas Savings Accounts:** The entire balance can be transferred to your share account on or after October 1st and the account will remain open. For any withdrawal made from the Christmas Club account not between October 1st and December 31st, a fee will apply. You may lose all accrued, uncredited dividends in the account. **For Regular Savings Account:** After two withdrawals within a month, a fee will apply. For IRA Account: Early account closure and withdrawal fees will apply. For current fees that may apply to your account(s), please see the Rates and Fees Schedule.

Written Notice of Withdrawal: The credit union reserves the right to require a member intending to make a withdrawal from any account (except a share draft account) to give written notice of such intent not less than seven days and up to 60 days before such withdrawal.
